

Attachment 5 Subsidy

In order to encourage more participants to join YICGG and continuously pay attention to global governance, qualified YICGG2025 participants can apply for the subsidies listed below:

Attention:

All the 'consecutive participants' in this attachment refer to the participants who attended the final round of YICGG2024 and will attend the final round of YICGG2025.

All the 'previous participants' in this attachment refer to the participants who have attended the final round of YICGG in the past and will attend the final round of YICGG2025.

1.Continuity

Participants' continuous enthusiasm on YICGG and unwavering support to global governance should be encouraged and praised.

For every *consecutive participant*, a subsidy of 200 RMB is available. Applicants should submit their certificates given by the YICGG2024 committee.

2.Inclusiveness

As long as a youth desires to participate in our competition, he/she should be included, providing his/her innovative ideas and contributing to global governance.

The YICGG Committee provides aid to those participants who have financial difficulties. If you need such aid, just contact us without hesitation and update the evidence that demonstrates your current living standards. We're more than willing to support you by providing a subsidy ranking from 300RMB to 600RMB.

3.Variety

The YICGG Committee determinedly supports and encourages transnational exchange between youth from all over the world, which cultivates the future of global collaboration.

Teams comprising members from multiple countries can apply for a subsidy of:

500 RMB per person for teams consisting of members from 3 or more countries;

300 RMB per person for teams consisting of members from 2 countries.

One team only has to choose one member to apply for this subsidy.

4.Publicity

YICGG looks forward to increasing its popularity, thus including more young talents to commit themselves to the great career of global governance.

Participants promoting YICGG in their educational institutions or home countries can apply for the following subsidies:

400 RMB for *previous or consecutive participants* who introduce new participants to YICGG2025;

200 RMB for new participants introduced by *previous or consecutive participants*;

100 RMB for obtaining 50 or more social media likes on YICGG-related content

Participants can only apply for one out of the 4 subsidies. If you want to apply for the subsidy, kindly fill in the application form at: <https://f.wps.cn/g/Wggd2fd8/> or
