Guidance for Immigration Procedures

The PSU International Student & Staff Office offers assistance and guidance to PSU foreign students and staff regarding a variety of immigration affairs such as:

- **Notification of Residence**
- **One-year Visa Extension**
- **Re-entry Permit**
- **90-day Report** and
- **other immigration-related issues**

*necessary documents, official forms to fill in and more details are at:

<https://gao.psu.ac.th>

Notification of Residence (housing notification)

PSU foreign students must notify their residence ("Notification for Owner of Residence where Alien has Stayed" / TM. 30) to local immigration authorities:

- within 24 hours after the 1st arrival in Thailand, and
 - if the address to return to in Thailand changes: after re-entering Thailand from abroad (coming back from a trip abroad), and after returning from a trip to other provinces inside Thailand
-
- Students **staying at PSU International Dormitories**, must notify the Division of Student Development and Alumni to do this notification online.
 - For foreigners **staying outside the campus**, the owner of the apartment / landlord must fill in the TM. 30 form and provide a copy of his/her national ID card and a copy of the house registration book, both signed by the owner.
 - Please attach to the TM. 30 form the copies of your **full passport, current visa and departure card** (if any).
 - Upon notification, foreigners will receive a **Receipt of Notification**. This receipt must be presented for the one-year visa extension.

One-year Visa Extension for Students

- A foreign student must enter Thailand with a Non-immigrant “ED” visa, obtained from the Royal Thai Embassy / Consulate in his/her country. The validity of this visa is **three months** and
 - once in Thailand, student can apply for the extension of stay for one year at the related Immigration Office in Thailand **before the expiry date** mentioned on the visa.
 - after receiving the extension: **check** that the extension date is correct
 - the last visa extension could be shorter than one year, depending on student's graduation date.
- *Faculty staff must accompany the foreign student to the Immigration Office for visa extension.

90-day Report

- a foreigner staying in Thailand for a period longer than 90 days and holding a Non-Immigrant Visa, is required by the Thai Immigration to report the current address every 90 days;
- he /she must file this report within **15 days before or 7 days after** the 90-day-period expires;
- however, if he /she leaves Thailand anytime during the 90-day period, then the day-count will restart from one upon the re-entry date into Thailand.

- the Re-entry Permit must be obtained from the Immigration Office before leaving Thailand
